Properties Where Access Was Granted But Has Not Been Sampled - Vasquez Boulevard and  
I-70 Site**

Dear Peter:

Attached is a list of properties where access was granted, but sampling has not been conducted because UOS received the access letter after Phase II mobilization was completed, property owners wanted to be present during sampling and UOS was not able to meet their changing schedule, and big dogs in the yard prevented access for sampling.

If you have any questions, please call me at 303-291-8272.

Very truly yours,

**URS OPERATING SERVICES, INC.**
